

Tax Manager - MarksNelson

About the job:

Would you like to be part of the largest privately-owned Kansas City public accounting and business advisory firm? Are you looking for work that is challenging and gives you a sense of accomplishment—and offers flexibility to balance your work and personal life? At MarksNelson, you'll work alongside subject matter experts with some of the strongest accounting, technology, and business skills in the market. At the same time, you'll be part of a winning culture and thriving workforce. Come with us and we'll help you move your career forward at a pace that is right for you.

We have an opening in our Tax team for a full-time Manager. If you are an organized, detail-oriented individual who is looking to build upon your experience, this may be the perfect opportunity for you. You'll be planning and performing tax assignments for multiple clients. You'll recommend changes and enhancements to existing policies and controls, to make sure they are current, adequate, functional, and utilized in accordance with standards established by the Firm. You may manage a team of junior auditors, reviewing their work and providing guidance.

What you'll be doing:

- Overseeing and coordinating tax planning and projections for business clients and their owners
- Reviewing all types of tax returns for closely held businesses and their owners
- Reviewing or completing tax research projects
- Gathering and preparing information for federal and state tax auditors
- Proactively communicating relevant emerging tax issues and industry information to clients
- Providing proactive advisory and consulting services
- Providing overall leadership, supervision, training and performance feedback to staff
- Identifying opportunities and recommends methods to improve service and work processes
- Servicing consulting engagements with large private and public companies on an as needed project basis
- Creating new business opportunities by expanding existing client relationships, developing personal networks, and participating in industry and trade associations

What you'll bring to the role:

- Bachelor's degree in Accounting is required
- Licensed CPA
- At least 8 years of recent public accounting experience with an emphasis in tax
- 3 to 5 years of supervisory experience
- Industry experience in real estate, construction, or manufacturing is considered a plus
- Experience with planning, compliance, research and defense
- Requires reliable transportation and a valid driver's license
- Strong background and experience with Tax methodologies and techniques
- Ability to build relationships while asking tough questions
- Strong time management and organizational skills

Why MarksNelson?:

Our culture values teamwork, ideas, and collaboration. We are a Team that supports one another and values the individual contributions of our employees. We offer competitive compensation, robust employee benefits and an ideal work/life balance. Your career is important to you – and it's important to us too. That's why we focus on providing tools and opportunities that help you reach your career goals.
