- Being an energetic team member who strives to provide the highest quality of service
- Staying current with technical tax law changes
- Servicing consulting engagements with large private and public companies on an as needed project basis
- Working with other department staff to provide seamless service to clients
- Completing software and training programs as required

What you'll bring to the role:

- Bachelor's Degree in Accounting
- Licensed CPA
- At least five years of recent public accounting experience with an emphasis in tax
- Industry experience in automotive dealerships, real estate, construction or manufacturing is considered a plus
- Experience with planning, compliance, research and defense
- Excellent problem-solving and client relations skills
- Solid communication and writing skills, including the ability to communicate solutions to tax issues to business owners
- Assist with supervising and training staff
- A willingness to work with and learn from your peers and supervisors
- Strong self-starter who is comfortable working both independently and as a member of a team
- Ability to prioritize and work effectively with a high volume of workload and meet deadlines
- Communication skills - clear, concise writing and verbal skills
- Organization skills; attention to detail and accuracy; flexibility; strong analytical skills

- Excel at working autonomously and juggling multiple priorities
- Integrity and the ability to maintain a high level of confidentiality
- Strong customer service orientation and professional appearance
- Must be able to interact and communicate with individuals at all levels in the firm and a variety of personalities in a professional manner
- Competency in Microsoft applications including Word, Excel and Outlook; knowledge of operation of standard office equipment
